DESCRIPTION OF SECTIONS CURRENTLY ACTIVE

In HTS Declaration Order

- **Section 301 – 20% Duty Increase on specific Chinese Products**

On March 10, 2021, U.S. Trade Representative modified the action in the Section 301 investigation of China's acts, policies, and practices related to technology transfer, intellectual property, and innovation by excluding from additional duties certain medical-care products needed to address the COVID-19 pandemic. In accordance with the specific direction of the President, the USTR published their determination to extend the COVID-19 product exclusions expiring on March 31, 2021 through September 30, 2021.

- **Section IEEPA – 20% Additional Duties for ALL Chinese imports and 25% for Mexican and Canadian Products if not USMCA**

Mexico

This CSMS provides guidance on tariff updates pursuant to [Executive Order](#), "Amendment to Duties to Address the Situation at the Southern Border," issued on March 6, 2025. This guidance provides an update to the additional duties on imports that are the products of Mexico, pursuant to [Executive Order 14194](#), "Imposing Duties to Address the Situation at Our Southern Border" (90 FR 9117) issued on February 1, 2025, and [Executive Order 14198](#), "Progress on the Situation at Our Southern Border" (90 FR 9185) issued on February 3, 2025, and [Executive Order 14227](#), "Amendment to Duties to Address the Situation at our Southern Border" (90 FR 11371) issued on March 2, 2025.

Canada

This CSMS provides guidance on tariff updates pursuant to [Executive Order](#), "Amendment to Duties to Address the Flow of Illicit Drugs Across Our Northern Border" issued on March 6, 2025. This guidance provides an update to the additional duties on imports that are the products of Canada, which were imposed by [Executive Order 14193](#), "Imposing Duties to Address the Flow of Illicit Drugs Across Our Northern Border" (90 FR 9113), issued on February 1, 2025, as amended by [Executive Order 14197](#), "Progress on the Situation at our Northern Border" (90 FR 9183), issued on February 3, 2025, and [Executive Order 14226](#) "Amendment to Duties to Address the Flow of Illicit Drugs across our Northern Border" (90 FR 11369) issued on March 2, 2025.

China-

The purpose of this message is to provide an update on the additional duties for imports that are the products of China and Hong Kong, pursuant to the Executive Order (EO) titled Further Amendment to Duties Addressing the Synthetic Opioid Supply Chain in the People's Republic of China, signed on March 3, 2025. As directed by the EO, U.S. Customs and Border Protection (CBP), is updating the additional duties from 10% to 20% and implementing a new Chapter 99 HTSUS number.

- **Section 232 – Aluminum and Steel 25% Duty Increase for All Countries**

Aluminum-

On February 10, 2025, the President issued Proclamation 10895 on Adjusting Imports of Aluminum into the United States, under Section 232 of the Trade Expansion Act of 1962, as amended (19 U.S.C. 1862), imposing ad valorem tariffs on certain imports of aluminum articles and derivative aluminum articles from all countries, is effective March 12, 2025. See [90 FR 9807](#) and [90 FR 11251](#).

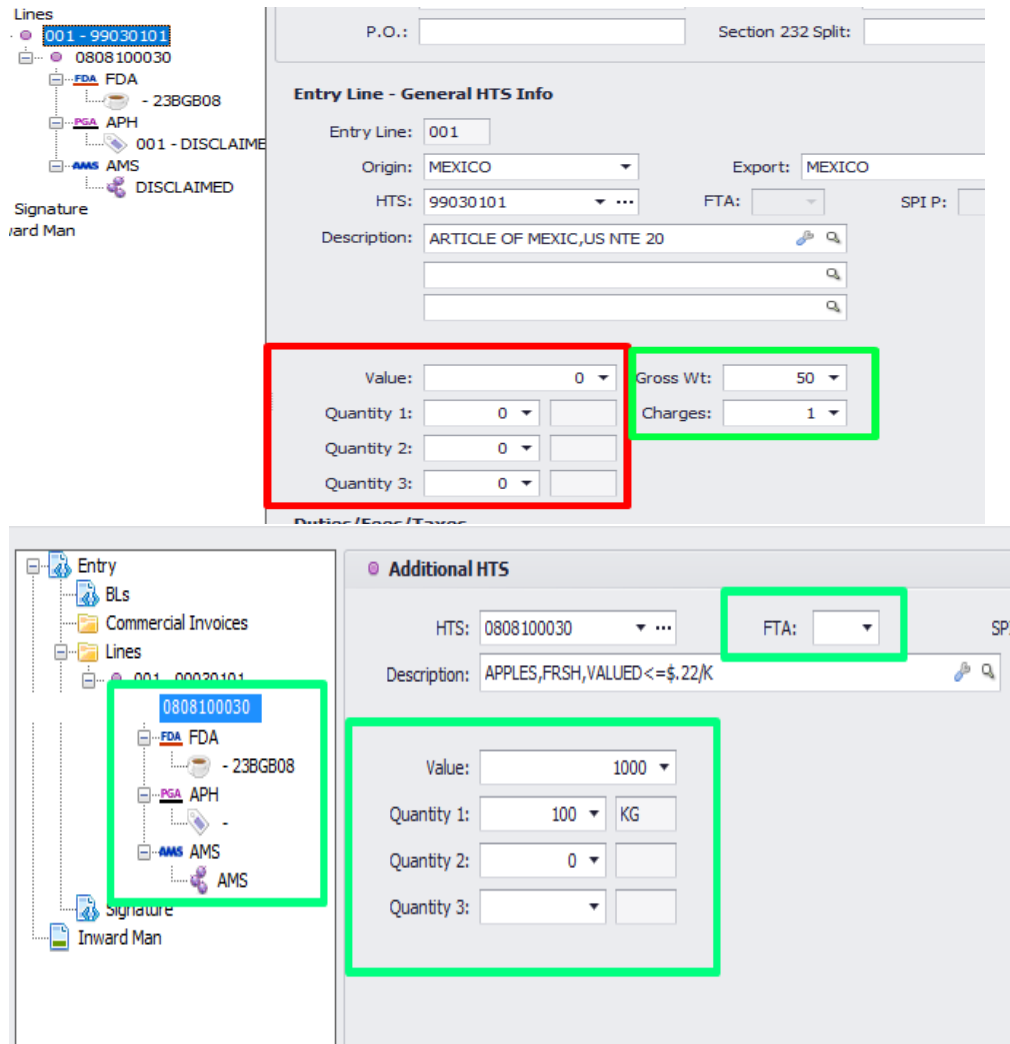

Steel-

On February 10, 2025, the President issued Proclamation 10896 on Adjusting Imports of Steel into the United States, under Section 232 of the Trade Expansion Act of 1962, as amended (19 U.S.C. 1862), imposing 25 percent ad valorem tariffs on all imports of steel articles and derivative steel articles from all countries, effective March 12, 2025. See [90 FR 9817](#) and [90 FR 11249](#).
